Synergy Billing Ranks No. 1071 on the 2015 Inc. 5000 with Three-Year Sales Growth of 403%

*Inc. Magazine Unveils 34th Annual List of
America's Fastest-Growing Private Companies—the Inc. 5000*

NEW YORK, August 12, 2015 -- *Inc.* magazine today ranked Daytona Beach, FL, company Synergy Billing No. 1071 on its 34th annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Yelp, Pandora, Timberland, Dell, Domino's Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 5000.

"To learn that we are among the top 21 % of the fastest-growing private companies in the U.S. is very gratifying," said M. Jayson Meyer, the CEO and founder of Synergy Billing. "This validates that we are meeting the needs of our clients and providing a great workplace for our employees. They are the 'secret sauce' in our success and they share my commitment to assuring that the most vulnerable people in the nation have access to health care."

Meyer recently announced plans to develop a 25-acre corporate campus in Holly Hill, FL, that will incorporate the company's headquarters, the Synergy Billing Academy, day care, fitness, and dining facilities, a housing component, and a community health center. "We are thinking about the whole employee," says Meyer. "Each one should have the opportunity to maximize her or his potential, both at work and in their personal lives."

The 2015 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of *Inc.* is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 490%. The Inc. 5000's aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The story of this year's Inc. 5000 is the story of great leadership. In an incredibly competitive business landscape, it takes something extraordinary to take your company to the top," says Inc. President and Editor-In-Chief Eric Schurenberg. "You have to remember that the average company on the Inc. 5000 grew nearly six-fold since 2012. Business owners don't achieve that kind of success by accident."

Synergy Billing provides revenue cycle management to a special niche in health care known as Federally Qualified Health Centers (FQHCs). These community health centers act as a safety net for the nation's most vulnerable populations. Services provided to these clients including medical billing, credentialing, and extensive training on a variety of critical topics. Synergy Billing was founded by entrepreneur M. Jayson Meyer, who is nationally recognized as an expert in maximizing revenue in health care. Most FQHCs report collection rates of less than 75 percent, while Synergy Billing clients report collection rates of more than 90 percent.

Methodology

The 2015 Inc. 5000 is ranked according to percentage revenue growth when comparing 2011 to 2014. To qualify, companies must have been founded and generating revenue by March 31, 2011. They had to be U.S.-based, privately held, for profit, and independent--not subsidiaries or divisions of other companies--as of December 31, 2014. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2011 is \$100,000; the minimum for 2014 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/5000>.
