*Inc. Magazine Unveils 35th Annual List of
America's Fastest-Growing Private Companies—the Inc. 5000*

August 17, 2016 -- *Inc.* magazine today ranked Daytona Beach, FL, company Synergy Billing No. 767 on its 35th annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Companies such as Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees of the Inc. 5000.

This places [Synergy Billing](#) on the prestigious list for the second year in a row. In 2015, the company ranked Number 1071.

"To learn that we are among the top 1000 of the fastest-growing private companies in the U.S. is very gratifying," said M. [Jayson Meyer](#), the CEO and founder of Synergy Billing. "This validates that we are meeting the needs of our clients and providing a great workplace for our employees. They are the 'secret sauce' in our success and they share my commitment to assuring that the most vulnerable people in the nation have access to health care."

Meyer has announced plans to develop The Fountainhead at Holly Hill, a 25-acre corporate campus in Holly Hill, FL, that will incorporate the company's headquarters, the Synergy Billing Academy, day care, fitness, and dining facilities, a housing component, and a community health center. "Our campus will help us better serve our clients, our employees, and our community," says Meyer. "Each employee should have the opportunity to maximize her or his potential, both at work and in their personal lives."

Meyer is a founder of Innovate Daytona, a movement to create an "entrepreneurial ecosystem" in Volusia County, FL. He and fellow entrepreneur Corrine Heck are also the cofounders of FailForwardFL, a movement designed to "celebrate failure" and encourage risk-taking. The lively kickoff will take place at Daytona Beach's Ocean Center on Thursday, September 29, 2016. For more information, those who are interested can visit www.failforwardfl.org.

The 2016 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of *Inc.* is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 490%. The Inc. 5000's aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The Inc. 5000 list stands out where it really counts," says Inc. President and Editor-In-Chief Eric Schurenberg. "It honors real achievement by a founder or a team of them. No one makes the Inc. 5000 without building something great—usually from scratch. That's one of the hardest things to do in business, as every company founder knows. But without it, free enterprise fails."

Synergy Billing provides revenue cycle management to a special niche in health care known as Federally Qualified Health Centers (FQHCs). These community health centers act as a safety net for the nation's most vulnerable populations. Services provided to these clients including medical billing, credentialing, and extensive training on a variety of critical topics. Synergy Billing was founded by entrepreneur M. Jayson Meyer, who is nationally recognized as an expert in maximizing revenue in health care. Most FQHCs report collection rates of less than 75 percent, while Synergy Billing clients report collection rates of more than 90 percent.

Methodology

The 2016 Inc. 5000 is ranked according to percentage revenue growth when comparing 2012 to 2015. To qualify, companies must have been founded and generating revenue by March 31, 2012. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2015. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2012 is \$100,000; the minimum for 2015 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
